

### Annex III: Key Action 3 – Youth Dialogue Projects

The proposed measures as well as the applicable rules are exposed below:

Type of activity	Proposal
<b>Youth Dialogue Projects</b>	<ul style="list-style-type: none"> <li>• Encourage to delay the start of the activity to a later date to let the situation improve, to the extent that the project duration allows.</li> <li>• When possible, propose a blended mobility approach, i.e. to start with a period of virtual mobility, to be combined with a physical mobility with a minimum duration as set in the 2020 Programme Guide.</li> <li>• In addition, the combination of virtual and physical periods must comply with the maximum duration of a Youth Dialogue activity as set in the 2020 Programme Guide.</li> <li>• In case of force majeure situation, the duration of the physical mobility period can be reduced or cancelled and be replaced by an extension of the virtual mobility period.</li> <li>• Periods of interruption between the virtual and physical mobility periods are allowed, provided that the activity is carried out within the mobility project duration.</li> <li>• For the days of virtual mobility, the beneficiary organisation receives 35% of the units corresponding to Organisational Support.</li> <li>• If the physical mobility period starts, the beneficiary organisation is entitled to receive the full unit for Organisational Support for the activity period and is also entitled to the grant for travel costs. If no physical mobility takes place, organisations are not entitled to receive the grant for travel costs.</li> <li>• Encourage the implementation of Advance Planning Visits virtually. No specific funding would be paid in this case. Any funding foreseen for Advance Planning Visits in the initial granted budget can be transferred to other budget items/activities where necessary.</li> <li>• Identification and recognition of learning outcomes should cover both activity periods (virtual and physical).</li> <li>• If duly justified and documented, beneficiaries can cover costs related to buying and/or renting of equipment and/or services necessary for the implementation of virtual and blended mobility activities, even if no funds were initially allocated to the Exceptional costs budget category.</li> <li>• If duly justified and documented by the beneficiary, NAs may also consider eligible any special needs support claimed in order to allow the participation of participants with special needs in virtual activities, under the same rules as specified in the Programme Guide.</li> </ul>
